REPORT

Name of the program : Practical applications of statistical tools in Healthcare management

Date : 15/02/2025

Resource persons details : Dr. BSN Murthy,
Department of Humanities, and Basic Sciences,
Aditya College of Engineering and Technology,
Contact no: 6304441660

Aditya Pharmacy College conducted a session titled ***“Practical Applications of Statistical Tools in Healthcare Management”*** on **15/02/2025** at 2:00 PM in the seminar hall. **Dr. B.S.N. Murthy**, Statistician from Aditya College of Engineering and Technology, was the chief guest for the session. A total of **63 students from V and VI Pharm.D and I M. Pharm** attended.

The session was meticulously designed to equip participants with essential statistical skills crucial for conducting and analyzing clinical research data. It aimed to bridge the gap between theoretical knowledge and practical application, empowering participants to make informed decisions based on robust statistical analysis.

Participants were introduced to key statistical methods used in healthcare research, including descriptive statistics, hypothesis testing, regression analysis, and survival analysis. Through hands-on exercises and case studies, they gained practical experience in applying these techniques to real-world research scenarios.

Facilitators provided continuous guidance throughout the exercises, ensuring students grasped the importance of data integrity, validity, and reliability. The session also addressed common challenges in statistical analysis and offered strategies for troubleshooting and improving data analysis processes.

At the conclusion of the session, Dr. B.S.N. Murthy was honored by the faculty members and students for his valuable insights and contribution.
