PEDAGOGICAL METHODS

Date: 20.12.2024

Activity report: The faculty attended the Pedagogical Methods Seminar and found it highly insightful and beneficial for enhancing their teaching strategies. The session provided valuable techniques to improve student engagement and learning outcomes.

PARTICIPANTS: TEACHING FACULTY

The faculty of Aditya Pharmacy College, Surampalem, actively participated in a seminar on "Pedagogical Methods," conducted to enhance teaching methodologies and improve student engagement. The session was led by **Lakshmi Kanth Moganti, Assistant Professor, Department of Civil Engineering, Aditya College of Engineering and Technology (A)**. The seminar covered various innovative teaching strategies, interactive learning techniques, and modern pedagogical approaches that can be effectively applied in pharmacy education.

The faculty members found the session highly insightful and engaging, as it provided practical guidance on improving classroom interactions and fostering a better learning environment. The discussion emphasized student-centered teaching methods, assessment techniques, and ways to integrate technology into education. Overall, the seminar proved to be a valuable learning experience, equipping faculty with new strategies to enhance their teaching effectiveness.
