FACULTY DEVELOPMENT PROGRAMME ON

ROLE OF BIOPHARMACEUTICS IN DRUG DISCOVERY AND DEVELOPMENT

Objective:

- ✓ To educate faculties about the Role of Biopharmaceutics in Drug Discovery and Development
- ✓ To gain knowledge on importance of Biopharmaceutics in the preparation of targeted release drugs

Time : 10:30 a.m. to 4:15 p.m.

A Faculty Development programme (FDP) on Biopharmaceutics in Drug Discovery and Development by **ADITYA PHARMACY COLLEGE** from 20.06.2018 to 22.06.2018

Day-1 **G.Sridevi**, she gave a lecture on importance of Biopharmaceutics in improving ADME properties of drug.

Day-2 In the second session **Mr.Shaik.Rafi**, he gave a lecture on how physicochemical properties of drug effects biological activity.

Day-3 Biopharmaceutics as a tool for drug discovery and development by **G.Sridevi**.

Outcome:

- All the faculties actively participated in all the sessions.
- The FDP provided platform to faculties and participants to gain experience about various updated process and guidelines and to share their views on different issues.
- The programme also resolved the queries rise in the minds of participants and provided opportunity to interact with various experts.

PHARMACY COLLEGE

FACULTY DEVELOPMENT PROGRAMME ON

EMERGING TRENDS IN HANDLING COLUMN CHROMATOGRAPHY, GAS CHROMATOGRAPHY AND THIN LAYER CHROMATOGRAPHY

Objective:

- ✓ To educate faculties about the importance of Column Chromatography, Gas Chromatography and Thin Layer Chromatography in characterization of sample
- ✓ To educate the faculties about new trends in Handling Column Chromatography, Gas and Thin Layer Chromatography

Time : 10:30 a.m. to 4:15 p.m.

A Faculty Development programme (FDP) on Chromatographic Techniques By **ADITYA PHARMACY COLLEGE** from 05.09.2018 to 08.09.2018

Day-1 **Dr. D. SATHIS KUMAR**, he gave a lecture on working principles of various chromatographic equipments.

Day-2 **Dr. K.DIVAKAR** gave a lecture on importance of Column Chromatography, Gas Chromatography and Thin Layer Chromatography

Day-3 Practical session is conducted on handling of column chromatography by **Dr. D. SATHIS KUMAR**,

Day-4 practical session is conducted on thin layer chromatography by **Dr. K.DIVAKAR**

Outcome:

- All the faculties actively participated in all the sessions.
- The FDP provided platform to faculties and participants to gain experience about various updated process and guidelines and to share their views on different issues.
- The programme also resolved the queries raised in the minds of participants and provided a opportunity to interact with various experts,

7 DAY INTERNAL TRAINING PROGRAM

Place: SURAMPALEM

A Seven day internal training program was conducted for the lab technicians on 17-09-2018 to 24-09-2018 in the campus. Senior faculty from our college has taken lectures and given demo on Pharmacological Bioassays.

S.No	Date & Day	Resource Person	Topic Name
1	Day 1 17-09-2018	S. NAGESWARA RAO, DEPARTMENT OF PHARMACOLOGY, ADITYA PHARMACY COLLEGE.	INTRODUCTION TO BIOASSAYS
2	Day 2 18-09-2018		PREPARATION OF DILUTIONS FOR BIOASSAYS
3	Day 3 19-09-2018		TYPES OF BIOASSAYS & TISSUE PREPARATION
4	Day 4 20-09-2018		PREPARATION OF PHYSIOLOGICAL SALT SOLUTION
5	Day 5 21-09-2018		ARRANGEMENT OF STUDENT ORGAN BATH
6	Day 6 22-09-2018		DEMO ON DRC
7	Day 7 22-09-2018		DEMO ON DIFFERENT BIOASSAYS

Targeted Audience: Lab Technicians of all departments.

The program is conducted 7 days as follows

Day 1:

Morning Session 10:00 AM – 11:00 AM: Interaction with lab technicians about the bioassays.

Summary:

As a part of the regular internal training program to the lab technicians, the seminar was conducted. First day was scheduled for interaction and general discussion about the importance of bioassays

Conclusion:

The lab technicians are made well verse with the introduction of bioassays. The seminar was found useful for the technicians.

Website: www.adityapharmacy.edu.in

Day 2:

Morning Session 10:00 AM – 11:00 AM: PREPARATION OF DILUTIONS FOR BIOASSAYS

Summary:

As a part of the regular internal training program to the lab technician demo on Preparations of different dilutions for bioassays was explained.

Conclusion:

The lab technicians were made to know preparations of different dilutions for bioassays .

Day 3:

Morning Session 10:00 AM – 11:00 AM: Handling of microscope

Summary:

As a part of the regular internal training program to the lab technicians, demo was given on tissue preparation and types of bioassay.

Conclusion:

The lab technicians were made to learn tissue preparation and types of bioassay . The seminar was found very useful for the technicians.

Day 4:

Morning Session 10:00 AM – 11:00 AM: PREPARATION OF PHYSIOLOGICAL SALT SOLUTION

Summary:

As a part of the regular internal training program to the lab technicians, demo was given on how to prepare physiological salt solutions

Conclusion:

The lab technicians are made to know about preparation of physiological salt solutions. The training program was found useful for the technicians.

Day 5:

Morning Session 10:00 AM – 11:00 AM: ARRANGEMENT OF STUDENT ORGAN BATH

Summary:

As a part of the regular internal training program to the lab technicians, how to arrange student organ bath for carrying bioassays was made to learn.

Website: www.adityapharmacy.edu.in

Conclusion:

The lab technicians are made to gain knowledge on arrangement of bioassay. The training program was found useful for the technicians.

Day 6:

Morning Session 10:00 AM – 11:00 AM: DEMO ON DRC

Summary:

As a part of the regular internal training program to the lab technicians, demo on DRC of Ach was explained.

Conclusion:

The lab technicians are made to gain knowledge on DRC. The training program was found useful for the technicians.

Day 7:

Morning Session 10:00 AM – 11:00 AM: DEMO ON DIFFERENT BIOASSAYS

Summary:

As a part of the regular internal training program to the lab technicians, different types of bioassays like two point, three point, interpolation and matching methods was explained.

Conclusion:

The training program was found useful for the technicians.

FACULTY DEVELOPMENT PROGRAMME ON

ADVANCEMENT OF NANO MATERIALS FOR SUSTAINABLE DEVELOPMENT

Objective:

- ✓ To educate faculties about the importance of Nanomaterial in targeted drug delivery
- ✓ Role of Nanomaterial in improving Bioavailability

Time : 10:30 a.m. to 4:15 p.m.

A Faculty Development programme (FDP) on Advancement of Nano materials for Sustainable Development by **ADITYA PHARMACY COLLEGE** from 13.12.2018 to 15.12.2018

Day-1 the first session has begun by **DR. V. RAVISHANKAR** gave a lecture on importance of Nanomaterial in targeted drug delivery and its applications.

Day-2 In the second session, **T. UDAY KUMAR** gave a lecture on how Nanomaterial improve bioavailability.

Day-3 New advances in preparation of Nanomaterial by **Dr. V. RAVISHANKAR**

Outcome:

- All the faculties actively participated in all the sessions.
- The FDP provided platform to faculties and participants to gain experience about various updated process and guidelines and to share their views on different issues.
- The programme also resolved the queries raised in the minds of participants and provided opportunity to interact with various experts.

PHARMACY COLLEGE

FACULTY DEVELOPMENT PROGRAMME ON CURRENT TREND AND INNOVATIONS IN CHEMICAL SCIENCES

Objective:

- ✓ To educate faculties about Current Trend and Innovations in Chemical Sciences
- ✓ To educate the faculties about newer, purification, synthetic methodologies developed in Chemical Science.

Time : 10:30 a.m. to 4:15 p.m.

A Faculty Development programme (FDP) on Current Trend and Innovations in Chemical Sciences by **ADITYA PHARMACY COLLEGE** from 29.01.2019 to 30.01.2019

Day-1 The first session has begun by **DR. K. RAMAKRISHNA**, he gave a lecture on importance of Chemical sciences in pharmacy.

Day-2 In the second session, **MR.SHAIK.RAFI** gave a lecture about Current Trend and Innovations in Chemical Sciences.

Outcome:

- All the faculties actively participated in all the sessions.
- The FDP provided platform to faculties and participants to gain experience about various updated process and guidelines and to share their views on different issues.
- The programme also resolved the queries raised in the minds of participants and provided opportunity to interact with various experts.
