Stakeholders Feedback Analysis

Date: 28-4-2021

Feedback summary on curriculum collected from different stakeholder's for the academic year 2020-2021

Student feedback analysis:

We solicited feedback from our final year students of all courses. This feedback form is based on a five-point rating scale and is used throughout the curriculum. The students thought that each courses objectives were obvious, and that the course workload was also manageable. The syllabus was designed to be socially relevant and fit for modern technology placements.

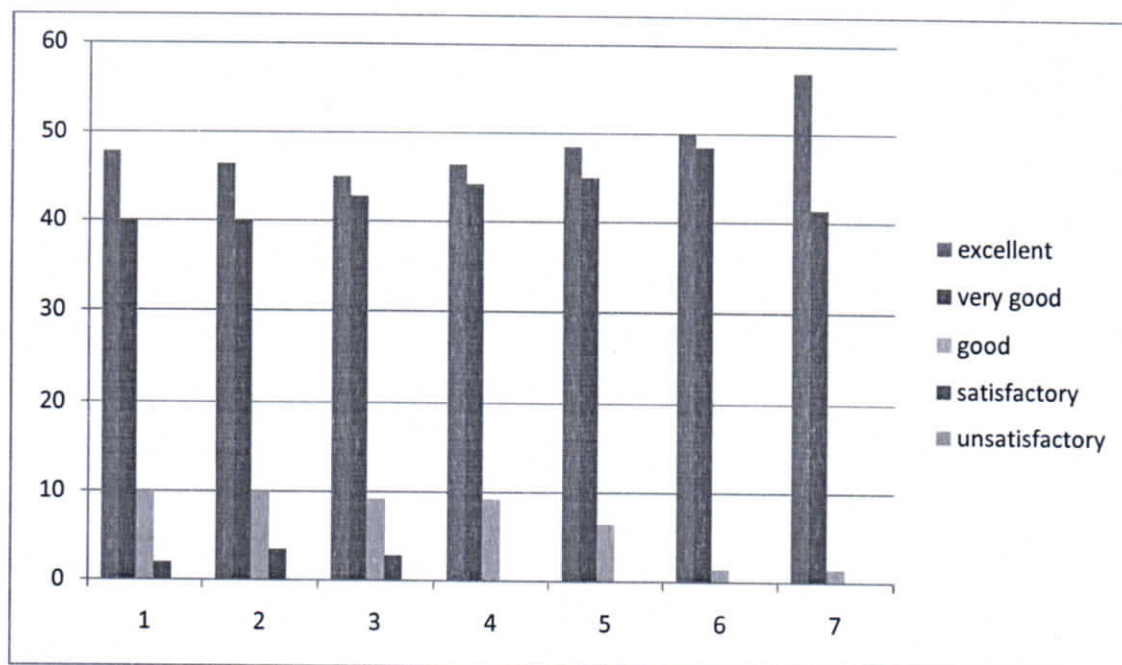

NOTE: Total number of student feedback samples taken: 140

S. No	Questions	Excellent %	Very good %	good %	Satisfactory %	Unsatisfactory %
1.	How do you rate the sequence of the courses that you have studied are in sequence to what you have studied in the previous semester?	47.8	40	10	2	0
